## EDUCATION

**Bachelor of Tecnology**
in Computer Science
**Guru Gobindh Singh Indhraprastha University**
July 2023- April 2027

## SKILLS

**Technical Skills:**
- Basic knowledge of HTML and CSS
- Familiarity with Python programming
- Understanding of web development fundamentals
- Familiarity with basic computer science concepts

**Non-Technical Skills:**
- Strong problem-solving abilities
- Effective communication skills
- Teamwork and collaboration

## 👤 ABOUT ME

As a first-year Computer Science student at the University School of Information, Communication, and Technology, I am developing my skills and knowledge in web development. With a basic foundation in HTML and CSS, I am eager to build visually appealing and user-friendly web applications. In addition to my academic pursuits, I am actively involved in various extracurricular activities that have honed my teamwork, leadership, and problem-solving skills. I am enthusiastic about collaborating on innovative projects and learning from experienced professionals to grow as a versatile and capable developer. If you are looking for a motivated and enthusiastic individual to join your team, I am excited to connect and contribute to your projects.

## 💼 EXPERIENCE

**ACM (ASSOCIATION FOR COMPUTING MACHINERY)**
SOCIAL MEDIA MANAGER
- Successfully managed and grew our online presence. I was responsible for creating engaging content, scheduling posts, and interacting with our community across various platforms.

**IEEE GGSIPU**
EVENT MANAGEMENT TEAM
- Successfully organized and coordinated various technical workshops, seminars, and conferences, ensuring smooth execution and high participant engagement.

**CODSOFT (WEB DEVELOPMENT)**
INTERNSHIP ( July 2024 - August 2024)
- Gained valuable hands-on experience in building and optimizing web applications. Worked on various projects that enhanced my skills in HTML, CSS, and Python

## 🏆 AWARDS AND ACHIEVEMENTS

- Third position in on-campus UI-UX Competition
- Successfully coordinated on-campus placement drive
